THE ANNUAL REPORT

Congratulations Ysgol y Lawnt

Happy 70th Birthday!

In June 2025, Ysgol y Lawnt proudly marked 70 years of Welsh education with a joyful celebration involving pupils, staff, governors, and parents. A spectacular performance showcasing seven decades of learning was held at Ysgol Gyfun Cwm Rhymni, where the children truly shone!

The Governing Body extends heartfelt thanks to all staff for their incredible dedication. It was clear that countless hours were poured into the singing, acting, props, and costumes—every detail reflected your commitment.

Parents, friends, and members of the school community—past and present—were moved and delighted by the show. It was emotional, entertaining, and a memorable milestone in our school's history.

A huge well done and sincere thanks for your ongoing hard work and unwavering support in nurturing the growth and development of our pupils.

Her Majesty's Inspectorate for Education and Training in Wales

Ysgol y Lawnt were inspected by Estyn from October 17th—20th 2022.
Estyn published their report on 19th December 2022.
Here's what Estyn said about Ysgol y Lawnt :

Ysgol y Lawnt is a successful learning community that celebrates the progress and achievement of all pupils particularly effectively.

Teachers and learning assistants have high expectations for all learners in terms of their achievement and behaviour and support them to develop

The school's ethos is based firmly on a shared vision, which is to promote Welshness, courtesy and responsibility

The weekly 'Caffi Clic a Chlonc' café provides very valuable opportunities for all pupils in turn to develop and apply their real-life skills by working with members of the community, including the school's parents. For example, pupils produce menus, cook food to be served and handle money when selling the produce and then ana-

Ysgol y Lawnt received two recommendations, which have been addressed in the school development plan.

R1 Improve pupils' Welsh reading skills

R2 Share best practice in teaching across the school

The Governing Body would like to congratulate Mrs Davies and all her staff upon a very successful inspection and the excellent learning experiences that the pupils constantly receive.

From Year 2 to Year 6, our pupils have been strumming their way to stardom with ukulele lessons!

Each week, Mr Halliday dropped by with his magical musical toolkit, teaching the children catchy chords, toe-tapping tunes, and a whole lot of rhythm.

MARKING 70 YEARS OF EDUCATIONAL EXCELLENCE IN WALES

Ysgol y Lawnt is delighted to celebrate 70 years of Welsh-medium education in the heart of the Rhymney Valley

Welsh-medium education in the Rhymney Valley began in 1951 with a small, voluntary Saturday morning school. By the autumn term of 1955, the first official Welsh class was introduced at Middle Rhymney School. From that humble beginning, Ysgol y Lawnt blossomed into the vibrant school we know today!

Over the years, Ysgol y Lawnt has grown steadily, with several school buildings supporting its expanding community. From Nursery through to Year 6, pupils are immersed in the Welsh language from day one, fostering fluency and pride in their heritage.

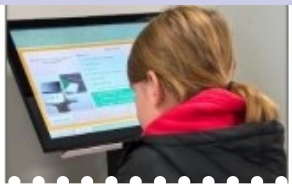
The school also benefits from close ties with the local Cylch Meithrin, nestled in the heart of the village. Here, dedicated staff create joyful, language-rich experiences for pre-school children through song, play, and storytelling—laying strong foundations for a lifelong love of Welsh.

Pupils took a step back in time to 1890, when the building that now houses our school was once the grand residence of the Rhymney Ironworks Company owners. As part of this journey into the past, they performed Tea on the Lawn—a powerful song that highlights the stark contrast between the lavish lifestyles of the wealthy and the struggles faced by the working class.

In the photograph to the right, you'll see the children portraying the privileged elite in their elegant attire, while those pictured below brought to life the resilience and hardship of the workers.

What a truly unforgettable history lesson—brought to life through music, costume, and creativity!

Bookworms on the move!



At Ysgol y Lawnt, every pupil gets to enjoy the magic of the library! Whether they're listening to captivating stories, reading quietly, sharing tales with friends, or simply exploring the shelves, it's a place full of imagination and discovery.

The library staff are wonderfully welcoming, and it's no surprise that many pupils choose to spend their free time there—curling up with a good book and letting their minds wander.

Leading by Example: Year 6 in Action!

Year 6 pupils become playground pros as they lead the younger children in learning traditional yard games—all through the medium of Welsh! It's teamwork, fun, and language learning rolled into one.

Understanding World Religions: A Celebration of Diversity

A World of Wonders:
Faith and Tradition

With curious hearts and open minds,
We set off far from classroom blinds.
From valleys green to oceans wide,
We journeyed forth with joy and pride.

In Wales, where dragons guard the land,
We sang in choirs, hand in hand.
Chapel bells and stories old,
Of saints and songs so proudly told.

To India, rich with colour and light,
Where Diwali sparkles through the night.
Temples hum with sacred sound,
And faith in every step is found.

In Mexico, we danced with grace,
Through Dia de los Muertos' warm embrace.
Candles flicker, marigolds bloom,
Love lives on beyond the tomb.

South Africa called with voices strong,
In rhythm, prayer, and tribal song.
Ubuntu taught us to unite—
That we are one in shared delight.

Egypt rose with ancient might,
Where pyramids touch stars at night.
Mosques and myths in desert air,
A legacy of faith and care.

In China, incense softly sways,
Through temples steeped in quiet praise.
From Lunar feasts to lantern light,
Tradition glows in red and white.

Hawaii sang with ocean breeze,
Where chants rise up among the trees.
Nature's spirit, deeply tied,
To every wave and mountainside.

So many lands, so much to see,
A world of faith and history.
Each place a thread, each voice a part,
Woven into one great heart.

Adventure Awaits:
Life Beyond the Classroom

Sand between our toes, laughter in the air, and waves to chase—seaside fun at its finest!

Rolling hills, rugged coastlines, and skies that stretch for miles. Nature showing off in every direction!

Pupils enjoyed a scenic pony trekking adventure—fresh air, muddy boots, and unforgettable moments on horseback.

Adventure on the dry slopes! Pupils embraced the thrill of skiing—gliding with confidence, building new skills, and sharing plenty of laughs along the way. No snow needed for this unforgettable ride

'Foundations for Tomorrow: Our New School Journey'

Updated Information:

The Local Authority is continuing with ground investigations for the proposed new school site. No further plans will proceed until these assessments are complete. The school community will be kept informed of any future developments.

Caerphilly County Borough Council is proposing the development of a new, state-of-the-art school building to serve both Ysgol Y Lawnt and Upper Rhymney Primary School.

Further details about the proposal are available on the Caerphilly CBC website.

Relocation of Ysgol Y Lawnt and Upper Rhymney Primary School

The vision is to create a sustainable, Net Zero Carbon facility featuring shared spaces designed to support both schools and wider community use. While co-located within this innovative dual-purpose building, Ysgol Y Lawnt and Upper Rhymney Primary will continue to operate as distinct schools, delivering Welsh-medium and English-medium primary education respectively.

Vacancies :

We currently have two paarent governor vacancies on the Governing Body. Governors are appointed for a period of four years.

Parents will be informed by the school of any vacancies on the Governing Body and applicants will be invited to put their name forward.

All parents who vote for an applicant should return their votes to school in a sealed envelope. These are then forwarded to Governor Support at CCBC to be counted.

School does not have responsibility for counting votes.

AGM—The GB is no longer required to hold an annual meeting with parents to discuss the report. This requirement has been replaced with the duty on the GB to hold a meeting with parents on receipt of parental petition as outlined in the School Standards and Organisation (Wales) 2013 Act.

CURRICULUM

Ysgol y Lawnt provides a comprehensive, well-rounded, and meaningful curriculum designed to nurture each child's academic, moral, spiritual, and social growth. In the infant department, pupils are fully immersed in the Welsh language, with English introduced from Year 3 onwards in the junior department. We actively promote the use of Welsh throughout all areas of school life. When children first join the school, instructions are reinforced in both Welsh and English to support their confidence in speaking Welsh independently.

Education is ever-evolving, and the New Curriculum for Wales became statutory in September 2022. In response, Ysgol y Lawnt has developed a bespoke curriculum, The Riches of Our Valleys, designed to deepen pupils' understanding of their local heritage while strengthening essential skills. This tailored approach aims to inspire independence and foster a love of lifelong learning in every child.

At Ysgol y Lawnt, themes and projects are thoughtfully designed to meet all the requirements of the New Curriculum for Wales. The Literacy and Numeracy Framework, alongside the Digital Competency Framework, ensures that pupils have meaningful opportunities to develop their literacy, numeracy, and ICT skills across all areas of learning.

Each pupil is supported with personalised targets, and for those in Year 6, realistic yet ambitious goals are set a year in advance. Termly parents' evenings provide a valuable opportunity to discuss pupils' progress, targets, and overall development. If a child has specific needs or if staff observe changes in behaviour or personality, parents are

https://www.ysgolylawnt.co.uk

ADDITIONAL LEARNING NEEDS (ALN)

The Governing Body is committed to enhancing the support and provision for pupils with Additional Learning Needs (ALN). Every child has a one-page profile, and those identified with ALN are given tailored targets to support their individual development. In line with the new ALN Code of Practice, the school is actively collaborating with the Local Authority to implement the updated procedures. : Additional learning needs (ALN) system: parents' guide [HTML] | GOV.WALES . We also recognise pupils who are 'More Able and Talented' (MAT). Pupils are grouped appropriately and work is set as to challenge each individual. School also celebrates pupils extra curricula talents, such as dance, sport and cheer.

ACTIVITIES AND ACHIEVEMENTS

The Urdd Movement

Pupils of all ages competed in a range of Urdd competitions during the spring term.

Our talented staff provide a range of opportunities for the pupils, these include sporting competitions, singing, reciting, acting cooking and art. The Urdd has a competition to suit all ages and abilities.

Extra Curricula Activities

All Extra curricula activities take place on a Monday, Wednesday and Thursday these are after school for pupils in years 1 to 6.

All clubs are run voluntarily by school staff. We are extremely grateful to staff who give of their own time to ensure that pupils have opportunities to develop new skills through acting, singing, dancing and also through a variety of sports.

Not all schools are as fortunate as ours, we have willing staff to carry out these activities for our children to enjoy and also these resources benefit parents too.

Swimming Lessons

All year 6 pupils benefit from a 3 week intense swimming course during the summer term. Excellent progress is always made during these sessions.

End of year celebrations 2025

To mark the end of the school year, pupils gathered on the yard for a joyful celebration.

The festivities featured a wide range of activities, including a water party, sports day, games, fairground rides, and a vibrant "trip around the world."

Each class selected a country to explore, learning about its unique traditions and performing a dance inspired by their chosen culture. It was a colourful, energetic, and an enriching way to wrap up the year—truly a perfect finale

Community links

Ysgol y Lawnt work very closely with parents and encourage parents to attend meetings and events held by the school. There is a pro-active PTA who arrange a wide range of activities throughout the year and this is very well supported.

People from the local and wider community are invited into school to share their expertise with the pupils.

School supports community events.

Emergency services play a vital role in school life. Community police help with traffic control. Fire services come into school to speak to the pupils.

We are an
Eco School
Healthy Eating School
Fair Trade School
Autistic Aware

Celebrations

The school celebrates pupils achievements and are always eager to know what your child has achieved outside of school.

A joyful celebration followed the children's global journey, where they explored world religions, cultures, and traditions.

TRANSITION TO SECONDARY SCHOOL

Ysgol y Lawnt works closely with Ysgol Gyfun Cwm Rhymni. During the two years prior to pupils transferring to the secondary school, both year 5 and year 6 pupils are given opportunities to visit the school.

Enhanced transition is also available for pupils who have additional needs.

Good luck and best wishes the year six pupils who transferred to the comprehensive school in September 2023.

Curriculum for Wales
The Riches of our Valleys

Progresion Steps 1,2 & 3

Pupils reached realistic targets set by the teachers.

Baseline Assessments

Baseline assessments are carried out with all nursery pupils during their first six weeks in school.

National Reading & Numeracy tests are carried out during the academic year.

Targets set by the Governing Body for the coming three years.

The targets set by the Governing Body are closely linked to standards in literacy and numeracy. Also targets to maintain and further improve attendance is high on the agenda. The Governing Body challenge the school to ensure these targets are achieved.

Target setting within the school.

Individual targets for improvements are set for each pupils every half term and progress is tracked and monitored accordingly.

Thank you

Once again a big thank you to all the staff for their continued hard work at the school.

Thank you to all parents for your support throughout the year. We sincerely hope that you enjoy the activities and that you feel like part of the Lawnt family.

School Prospectus

If you require a school prospectus, please go to the school website or contact the school office for a paper copy of our prospectus.

Extra Curricula Activities and Sporting Activities

The school offers a range of sporting and extra curricula activities. Pupils are given the opportunity to participate in netball, football, rugby, cricket, Urdd and swimming competitions organised by the school.

Extra Curricula Activities

Staff at the school offer a wide range of opportunities for pupils.

> Art club

Nursery, Rising 3's and Cylch Cwtsh

We have a morning Nursery class. Pupils are welcomed into school the term following their 3rd birthday.

School starts at 9.00am for nursery. During the morning they will have fruit and milk or water. The children will be taught a range of fine and gross motor skills along with early communication, turn taking and of course they'll be immersed in the Welsh language.

Nursery sessions end at 11:45am. Afternoon wrap around sessions are run by Mrs Rudd at Cylch Cwtsh y lawnt. The wrap around begins at 11:45am through to the end of the school day.

Attendance: School Target for 2024 - 2025 was 91% and we were just above that target at the end of the summer term 2025-91.56%

ATTENDANCE MATTERS

Most pupil and parents think 90% attendance is good.
Are they right?
NO

90% attendance = 1/2 a day missed every week
90% attendance over 5 years of school = 1/2 a school year missed

Please help us and your child by ensuring their attendance remains above 95%, allowing them to achieve their full potential.

Targets to raise attendance:

- *school to text /ring parents if child is not in school.*
- *Red/Yellow/Green letters*
- *EWO contacted if pupil displays poor attendance.*
- *Children's services contacted for extremely poor attendance.*
- *Parents must request holiday forms to take child out of school.*
- *Reward system in place.*

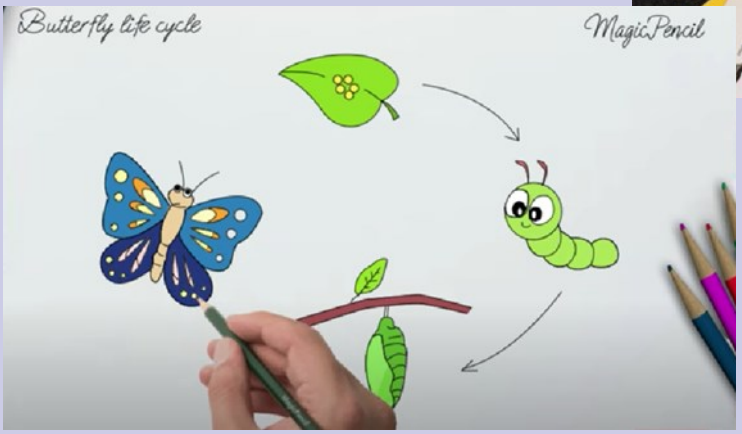
They walked like the Egyptians!!!

They learnt about butterflies and their lifecycle.



They cooked biscuits and brownies and

made sandwich-es ready for the class café.

They Made Easter hats and decorations for the café.

Ysgol y Lawnt Time Line
(Formerly Ysgol Gymraeg Rhymni)

1950 – 1951 – Meetings were organised in Rhymni by the late Rev. Rhys Bowen, minister of Moreia Congregational Chapel, with the support of Idris Davies, the Rhymni Poet. Amongst those who addressed the meetings were Aneurin Talfan Davies, Alcwyn Evans, Norah Issacc and Raymond Edwards (H.M.I). These people were amongst the founders of Ysgol Gymraeg Saint Francis, the Welsh school in Barry. Idris Davies met Aneurin Talfan Davies when broadcasting for the BBC, and had heard from him of the success of the Barry Welsh School. Both he and Rhys Bowen were anxious to see a similar school established in Rhymni. It must be remembered that although Idris Davies wrote his poetry mainly in English, he was a natural Welsh speaker. They received support from the non-conformist ministers of the town and the others, for example, Rev. G.R.M Lloyd and Mrs Fay Lloyd, Mr I. Beynon (Jerusalem Chapel) and Mr Grant (Seion Chapel).

1951 – A voluntary Welsh school was started on Saturday mornings and was held in the Upper Rhymni Infants School with the permission of the Monmouthshire Education Committee. The secretary was Mr Bob Roberts (Seion Chapel). The teachers were Mrs Fay Lloyd, Miss Beatrice May Davies, Miss Morwen Evans, Miss Rita Owen, Mrs Heulwen Williams and Mrs T Francis, (Pontlottyn). Parent helpers included Mrs Onwy Beynon and Mrs Rhiannon Williams.

1955 – In September 1955, an official class of 15 children was established in Middle Rhymney Infants School by the Monmouthshire County Council. The late Alderman Joseph Williams was a supporter of the venture and was a member of the Council's Education Committee at the time. The first Welsh teacher was Mrs Rhiannon Bridges (nee Williams) and the first headmistress was Mrs L.Wall of Rhymni.

1956 -1957 – A Welsh Nursery group was formed to feed the school by the parents from Rhymni and Tredegar. It was started in Seion vestry but then moved to Tabernacle vestry where it remained for many, many years in the care of Mrs Nansi Jones who was paid a small sum raised by voluntary contributions off the parents.

1957-1971 – During this period the school grew and among the teachers were Miss Marian Evans, Miss Maureen Rees, Mrs Heulwen williams and Mrs Ceinwen Williams.

1971 - The Middle Rhymney Infants School building in Goshen Street was given over entirely to the Welsh School.

1972 – Mrs Heulwen Williams was appointed Headteacher of the school on the retirement of Mrs L Wall.

1976 the school's 21st anniversary celebrations.

1980 – 1981 – The school's 25th anniversary celebrations

1983 – Mrs Jane Hyde was appointed headteacher on the retirement of Mrs Heulwen Williams.

1984 – The school moved to a larger building, the former annex of the Rhymney Comprehensive School in Manest Street.

1992 – The school moved to its present site, the former Rhymney comprehensive or Lawn School and was renamed Ysgol y Lawnt.

1995-1996 – The school 40th anniversary celebrations.

2005-2006 – The school celebrates 50 years of Welsh medium education.

2006 – A double demountable classroom is needed to accommodate an expanding school.

2007 – 2009 - Mr Ryan Parry was appointed as headteacher of the school on the retirement of Mrs Hyde.

2010 -2011 – Mr Alun William became acting headteacher prior to retiring.

2012 – 2013 - Mr Dulyn Griffith became interim headteacher following the retirement of Mr Williams.

2013 – Mrs Sharon Davies was appointed as headteacher.

2015 – Ysgol y Lawnt celebrates 60 years of Welsh Education in Rhymni.

2020 – COVID 19 - School closed - On March 23, 2020, Prime Minister Boris Johnson announced national restrictions to reduce the increasing spread of COVID-19. This involved the closure of many sectors and ordering the public to stay at home.

2024 – CCBC announces plans to build a new school for Ysgol y Lawnt

2025 – Ysgol y Lawnt celebrates 70 years of Welsh Education in Rhymni.
